

TAYYAB UR REHMAN

Frontend web developer

PROFILE

Passionate React.Js Developer and strong background in web Development. With a deep understanding of ReactJS, I specialize in building dynamic and responsive user interfaces. I am skilled in front-end technologies, including HTML, TailwindCSS, JS and REACTJS. I am always eager to learn and stay up-to-date with the latest industry and best practice. My strong analytical skills and attention to detail allow me to write clean and efficient code that enhance the user experience.
